Pacifica BAF update – June 2026

Dear Valued Customer,

Please be advised that the Bunker Adjustment Factor (BAF) effective 1 June will **remain unchanged at current level as below**, whilst we continue to recover recent fuel cost increases via our Emergency Fuel Surcharge (EFSC) mechanism until further notice.

per 20'	per 40'
NZ\$ 368	NZ\$ 736

BAF will be reviewed again end of May to apply 1 July 2026. If any questions, please contact your local Pacifica representative.

Yours sincerely,

Pacifica Shipping
