Pacifica BAF update – May 2026

Dear Valued Customer,

Please be advised that the Bunker Adjustment Factor (BAF) effective 1 May 2026 will remain unchanged at levels indicated below, whilst we continue to recover recent fuel cost increases via our Emergency Fuel Surcharge (EFSC) mechanism until further notice.

Current BAF levels:

NZ\$ 368 per 20'

NZ\$ 736 per 40'

BAF will be reviewed again end of April to apply 1 June 2026. If any questions, please contact your local Pacifica representative.

Yours sincerely,

Pacifica Shipping
